Dear Mr Smith

I am writing to you to convey the enclosed terms of reference for the Commonwealth Grants Commission's *2018 Update of GST Revenue Sharing Relativities* (2018 Update). I apologise for the delay in providing them to you.

The Commission should provide its report to the Government by 28 March 2018. A copy of the report should also be provided, under embargo, to the States and Territories by 28 March 2018. I anticipate making the report publicly available following a short embargo period.

Yours sincerely
